FROM THE PRESIDENT

Did I see you at last year's Show?

Will I see you at this year's Show?

Hopefully the answer to both of those questions is, yes.

Can you believe that another year has rolled by and here we are again nearly at Show Day.

The excitement is building as the enthusiastic committee work hard behind the scenes to bring you another amazing Show.

One of the newest residents to the Carcoar District has agreed to officially open the show for us this year.

You may have heard of her, Edwina Bartholomew, from Channel 7s Sunrise program.

Edwina is also keen to enter into a few of the Home categories. We look forward to welcoming her and her entries and also encourage her husband Neil to take on the challenge of the Bloke's Chocolate Cake category.

We invite everyone to enter our Pavilion categories. There is something in there for everyone.

Horses, Horses, Horses

Due to the weather we couldn't hold any horse events last year and we really did miss that.

The weather this year has been kinder to us so far and we very much look forward to seeing the horse rings filled with competitors.

So start planning for your favourite events now and get your entries in.

We've also been busy booking in some new entertainment for all ages to enjoy. People like Julian Bull, a magician who will be performing roving shows of up-close magic. There'll also be some Giant Lawn Games, hosted by Jenny from Strike-a-Pose in Bathurst. Games like Jenga, Ring Toss and Connect 4. And the games are free for all to play.

In the bar area this year we will welcome Wickes & Watts, an Irish influenced Australian duo playing a wide range of cover songs.

Another new performance this year is Snake Tails with their reptile show 3 times throughout the day. Make sure you enter the 'Guess the weight of the python' competition. Roving committee members will have details.

For the kids and youthful adults feeling energetic, they'll be able to burn off some energy on the jumping castle and perhaps compete against a mate on the inflatable horizontal bungee.

Be sure to also check out the dance group performances of kids from local dance groups.

And when it's time for lunch we will have an assortment of options to choose from ... sweet and savoury filled crepes from Romanian Delights, Chinese food from Cook Wook Wong, steak and sausage sandwiches, from our hardworking committee, and Turkish Gozleme.

For a sweet treat Spilt Milk Gelato and Swirl & Dip Ice Cream will keep you satisfied.

The list of attractions goes on and on, check out the program for the times for all shows and attractions. Woodchop, Shearing Yard Dogs and of course the ever popular Dog High Jump at 2pm.

I'm very much looking forward to welcoming you all to Carcoar Show for a fun filled day.

See you at the Show Saturday, October 28th

Andrew Winfield

9.30AM START

Entry: FREE - Ribbons: 1st, 2nd and 3rd.

- The objective of this challenge is to demonstrate a rider's and horse calmly, precisely, stylishly and regularly deal with any obstacles designed to simulate difficulties which could be encountered by a trail horse.
- All obstacles are numbered in order of completion. The number is placed on the right-hand side of the entrance to the obstacle.
- Competitors may walk the course without horses.
- Refusing an obstacle - the horse stops and takes a backwards step, or circles before entering the obstacle - the rider may have a second attempt, but the third refusal on that obstacle will result in zero points for that obstacle.
- Equine may regard obstacle for a moment, but prolonged hesitation will incur a penalty.
- Event will be timed, time taken will be from start to finish.
- Subtle/refined cues will score higher than obvious cues or harsh use of aids (reins, bit, spurs, whips, sticks, voice).
- A calm, patient, willing equine will score higher than nervousness or rushing.
- There will be a variety of obstacles to negotiate eg. mounting your horse from a mounting block, opening and closing a simple rope gate, walking over carpet, carrying a raincoat and more!
- Rider/horse combinations will be judged on their ability to negotiate each of the tasks and obstacles.

2023 CARCOAR SHOW FEATURE RECIPE SECTION IS RETRO COFFEE CAKES

'Images and text from The Sweet Life by Kate Bracks, p200;

Entrants - please use the recipes below

These cakes hold a special place in my heart. Not only do they represent the day I fell in love with baking at the ripe old age of eight, but they also kick-started my MasterChef journey as they were the first dish I cooked in the MasterChef kitchen

PREP TIME: 50 minutes

COOKING TIME: 40 minutes

MAKES: 9

(We only need your best 5 for the competition)

INGREDIENTS

CAKE

250g butter, at room temperature, chopped

220g (1 cup) caster sugar

1 tsp vanilla extract

2 eggs

300g (2 cups) self-raising flour

180ml (¾ cup) espresso coffee, cooled

COFFEE BUTTER CREAM

180g butter, at room temperature, chopped

240g (1½ cups) icing sugar mixture, sifted

40ml (2 Tbs) espresso coffee

1 Tbs kahlua

40g (½ cup) flaked almonds, toasted

METHOD

1. Preheat the oven to 170°C. Grease a 22cm (base measurement) square cake tin and line the base with baking paper.
2. To make the cake batter, cream the butter in an electric mixer on high speed until pale in colour (2 -3 minutes). Reduce to medium speed and gradually add in the sugar and vanilla. Scrape the bowl down and then take the speed back up to high and beat again for 2-3 minutes until the sugar has dissolved into the butter. Add the eggs one at a time, beating well after each addition. Add the sifted flour, and mix on low speed until almost combined. Add the coffee gradually until the mixture has absorbed it all. Increase the speed and beat on high for 30 seconds.

3. Pour the mixture into the prepared tin and bake for 40 minutes or until a skewer inserted into the centre of the cake comes out clean. Cool in the tin for 5-10 minutes and then turn out onto a wire rack to cool completely.
4. To make the coffee butter cream, beat the butter with an electric mixer until pale and very light and creamy in texture. This will take 3-5 minutes on the highest speed. Add the sifted icing mixture and beat again until incorporated thoroughly. Reduce the speed to low and gradually add the coffee and Kahlua. It may initially curdle but don't worry! Increase the speed of your mixer back up to high and mix for another 2-3 minutes.
5. To assemble the cake, cut 9 circles out of the cake using a 9cm round cookie cutter. Slice each circle horizontally into 3 pieces and layer each with coffee butter cream. (If the butter cream has become a bit too stiff to spread, simply add a teaspoon or two of milk to loosen it up again.) Top with butter cream and sprinkle with toasted flaked almonds.

NOTE: *These cakes are best eaten on the same day, but they will keep in an airtight container for 3 days or in the freezer for up to 3 months. For ease of serving, this could also be one large cake with frosting!*

EXPLANATION OF CATEGORIES

Natural Landscape - This includes all beaches, sunsets, sunrises, cityscapes and landscape that may contain a building.

People - This includes cute baby pics, couples, models, fashion, families etc

Animals - The family dog, working dog, cat, bird or pet lamb, they're all allowed including wild animals and those in a zoo.

Rural - These must evoke some essence of the rural aesthetic. Easily confused with landscapes, the rural section must just yell 'Country Life'. Think hat bales, stock in a field, harvesters at sunset etc.

Man Made - It differs from landscape as the building/object itself is the focus, rather than the building in its place. For this think of old cars, trains, architectural shots of buildings even some sculptural elements of human design, bridges etc.

Nature - This differs from natural landscapes as it includes close up and other natural shapes that nature serves up. Think flower buds, curling fern leaves, rock pools, waterfalls, bunches of flowers etc.

Sunset - Everyone loves a sunset and here is your chance to submit your favourite sunset photo in this year's special photography subject.
