6. Stewards shall be appointed by the Committee to accompany the judges in each section.

The Society shall not be responsible for any accident that may be caused through, or by any exhibitor or exhibit. It shall be a condition that such exhibitor shall hold the Society harmless and indemnify it against any legal proceedings arising from such accident. Whilst exercising all care in receiving and dispatching exhibits, the Society shall not, under any circumstances, be responsible for any loss or incorrect delivery of livestock or any other exhibits of any kind, or for any injury done thereto.

FROM THE PRESIDENT

It hardly seems possible that another year has passed, but here we are with Show Day just around the corner! There is a real sense of anticipation building throughout the community, and our dedicated committee has been working tirelessly behind the scenes to make sure this year's Carcoar Show is another memorable day for everyone to enjoy.

We are delighted to announce that this year's Show will be officially opened by **Eva Price, the 2025 Blayney Young Woman and a State Finalist at the 2026 RAS Show in Sydney**, an achievement that reflects her commitment, enthusiasm and involvement in the community.

Eva has lived all her life in Blayney, completing her primary schooling locally before attending high school in Bathurst. She now works at Taronga Zoo Dubbo, where she continues to build on her passion and experience. We are thrilled to welcome Eva to Carcoar and look forward to her officially opening this year's Show.

After an incredible 17 years as Treasurer of the Carcoar Show Organising Committee, we say farewell to Sally Green from this position as she retires from the role. Sally has been a truly dedicated and valued member of the Show family, contributing countless hours and an enormous amount of knowledge, care and commitment over nearly two decades. She is highly respected and loved not only by the Show committee, but throughout the Carcoar community and the wider region. We are incredibly grateful for everything Sally has done for the Carcoar Show and for the friendship and support she has given to so many of us over the years. While we will certainly miss having her as Treasurer, we wish Sally all the very best and hope she enjoys a well-earned break from keeping us all financially organised!

Once again, the Pavilion will showcase the wonderful diversity and creativity that makes our Show so special. There will be plenty to admire, including the ever-popular Blokes' Chocolate Cake, spectacular floral displays, photography, arts and crafts, along with the unusual and entertaining Gum Leaf competition.

Horsing Around? Neigh! Just quality equestrian events

For lovers of all things equestrian, there will be plenty of action across our five rings. With a full program of competitions taking place throughout the day, be sure to check the Horse Schedule in your program and plan your day so you don't miss your favourite events.

Hobby Horse events for riders and non-riders will be held in Ring 4. Bring your own Hobby Horse or borrow one from the Show Society. See the program in Ring 4 for details.

How many chops can a wood chop chop?

The Wood Chop is another much-loved Carcoar Show tradition that is sure to draw a crowd. Generations of families have enjoyed watching the strength, speed and skill on display, and we look forward to another exciting competition this year.

F.U.N.

There will be no shortage of entertainment across the Showground this year. **Francis Kate Music** will have the crowd singing along with a great selection of popular Australian and cover songs.

Be sure to watch out for **The Pretty Amazing Jonno** as he makes his way around the grounds. Combining magic, science and a touch of MacGyver-style ingenuity, Jonno promises plenty of unexpected fun and mayhem along the way.

The much-loved **Dog High Jump** will also return, allowing our canine competitors to impress the crowd as they leap to new heights. It is always a crowd favourite and promises plenty of excitement.

Over in the yards, the **Central Highlands Sports Shear** will showcase some of the region's finest shearers. This fast and highly skilled competition tests both speed and precision, with competitors judged on their time as well as the standard and quality of their work.

Yet more!

And that's still not everything! Before the official opening ceremony, get into the Show Day spirit with lively performances from local dance groups **Em Dance** and **Le Dance**. There's plenty of fun in store for our younger visitors too, with **two bouncy castles, an inflatable obstacle course and an inflatable horizontal bungee** offering plenty of laughs, challenges and friendly competition. And for our littlest Show-goers, there'll also be a **climbing frame** to keep them happily entertained.

For those looking for something a little more relaxed, **Jenny from Strike A Pose Bathurst** will be providing free face painting.

There will also be plenty of action in the arena with the spectacular **Kids' Whip Crack Competition**. Add in the vintage car displays, Yard Dog Trials and a visit to **The Old Kentucky Petting Zoo**, and there really is something for everyone. Check out the merry-go-round and jumping castle!

All the above entertainment is free.

Time for a Feed?

You certainly won't go hungry at the Carcoar Show! A great selection of food, refreshments and coffee will be available throughout the day, with plenty of choices to suit all tastes.

Take a break from the action, grab something delicious and explore the variety of food and other offerings available around the Showground. There will also be a range of goods, services and attractions to discover as you make your way around the Show.

We look forward to welcoming everyone to the **Carcoar Show on Saturday, October 31**. Whether you come along for the competitions, entertainment, displays, food or simply to catch up with friends and neighbours, we hope you enjoy a wonderful day celebrating everything that makes our community special.

We'll see you at the Show!

2026 CARCOAR SHOW FEATURE RECIPE SECTION IS SALTED CARAMEL LAYER CAKE

Entrants - please use the recipes below

There's a lot going on in this cake – layers of brown sugar cake, salted caramel, cream cheese frosting and brown sugar crumb for texture. It all adds up to salty-sweet deliciousness, which is well worth every step. To make things easier, the caramel, crumb and frosting can all be made several days ahead.

INGREDIENTS

Cake

140 grams brown sugar
140 grams caster sugar
120 grams softened butter
3 eggs
300 grams (2 cups) plain flour
80 ml (1/3 cup) buttermilk
Seeds of 1 vanilla bean (1 tsp vanilla bean paste)
3 tsp white vinegar
1 tsp bicarbonate of soda

Salted caramel

400 grams caster sugar
250 ml (1 cup) pouring cream
120 grams butter, diced

Brown sugar crumb

75 grams butter, diced
150 grams (1 cup) plain flour
80 grams brown sugar
40 grams caster sugar

Cream cheese frosting

150 grams softened butter
110 grams brown sugar
750 grams softened cream cheese

METHOD

1. For salted caramel, stir sugar and 100ml water in a saucepan over medium-high heat until sugar dissolves, then brush down sides of pan with a wet pastry brush to remove sugar crystals and boil until dark caramel (7-8 minutes). Remove from heat, carefully add cream (hot caramel will spit), then add butter and 2 tsp sea salt flakes and swirl to combine. Cool, then refrigerate in an airtight container until required. Caramel will keep for up to 5 days.
2. For brown sugar crumb, preheat oven to 170C and line an oven tray with baking paper. In a bowl, rub butter into dry ingredients and ½ tsp sea salt with your fingertips to form coarse crumbs, spread on prepared tray and bake until golden brown (6-8 minutes). Cool completely, then store in an airtight container until required. Brown sugar crumb will keep for up to 5 days.

3. Keep oven at 170C and butter and line three 18cm-diameter cake tins with baking paper (see note). Beat sugars and butter in an electric mixer until pale and fluffy (6-7 minutes), scrape down sides of bowl, then beat in eggs one at a time, beating well and scraping down sides of bowl between additions. Add flour and buttermilk alternately in 2 or 3 batches, beating to just combine, then mix in vanilla. Combine vinegar and bicarbonate of soda in a bowl, stir into batter, then divide among cake tins and bake, swapping and turning tins partway through cooking, until golden brown and a skewer inserted withdraws clean (25-30 minutes). Cool in tins for 10 minutes, then turn out onto wire racks to cool completely. Trim tops flush with a serrated knife.
4. For cream cheese frosting, beat butter and sugar in an electric mixer until pale (4-5 minutes), scrape down sides of bowl, then add cream cheese and beat until fluffy (6-8 minutes).
5. To assemble, place a cake on a tray, spread with cream cheese frosting to 5mm thick, drizzle with a little salted caramel and scatter with a layer of brown sugar crumb. Repeat layering, finishing with last cake, then spread remaining cream cheese frosting over top and sides of cake with a hot palette knife. Refrigerate until required.
6. Serve cake with warmed salted caramel and extra brown sugar crumb for scattering.

NOTE: If you don't have three 18cm cake tins, bake a third of the cake mixture at a time, washing, buttering and lining the tin each time.
