Dear Carcoar Community,

Australia Day 2016 is rapidly approaching, and the Carcoar Village Association will be holding its annual Fair, the centrepiece of which is the parade. This gives local people an opportunity to advertise their organizations, publicize their special concerns and generally have a great deal of fun.

Previous parades have had as their theme “Local History” and “Our Vision for the Future”. Both of these attracted spectacular entries which were very much appreciated by the spectators. This year the theme is “Country Life”, which may be interpreted in a historic, geographic, political or other context, limited only by imagination.

Entries may be by individuals or by organisations, and may be single participants, groups or floats. Substantial prizes are offered in a number of categories, and there is no entry fee. Participants will gather in Collins Street near St Paul's at 11.30 on Tuesday 26 January and be marshalled down Belubula Street through the village to the Sports Ground. A commentary will be broadcast as each entrant passes a given point, for which we will require a title for the entry, the name or names of the participants and a short (200 word) description. We expect special coverage by the local and regional press.

We would like to invite you to be a participant in this year's parade and wish you well in the competition. Registration should be made by January 15 with Todd Hahn or Eric Foote via email [ricconlie@ozemail.com.au](mailto:ricconlie@ozemail.com.au) ; post PO Box 40 Carcoar or by phone 0427 166 273. We look forward to hearing from you.

Yours sincerely,

Todd Hahn  
Parade Co-ordinator
