## Australia Day Fair

Carcoar Historic Village, NSW Central Tablelands

# STALL HOLDER INVITATION

You are invited to participate in our Australia Day Fair that is scheduled to take place on Tuesday, 26 January 2016. The fair is a very successful annual event and the Carcoar Village Association is targeting 5,000 attendees for Australia Day 2016.

A Stall Application Form and (where applicable) an Application for Catering & Sale of Food Temporary Holder Permit are attached.

We encourage you to complete and return the form with your payment advice, cheque or money order, as early as possible because stall positions are limited and allocated on a 'first come first served' basis.

Blayney Shire Council requires that all stallholders should have their own registration number and a current certificate of insurance and this information must be provided with your form. Relevant food handling documentation must also be supplied with your booking form if applicable.

Where payment is made by direct deposit, email response including application form, payment confirmation and any other necessary documentation is acceptable. Please use "Australia Day Fair" in the subject line of your email. Where payment is made by cheque or money order, please mail completed application form and any other necessary documentation to the above address.

Please do not hesitate to contact me should you have any queries.
